Ken Hall	Has been an amazing individual: he has helped children that need help with their Maths for many years. He also has been Chair of Governors for both St Just School and Cape School in the past.	I
Jan Hall	Has worked at Sennen School since my husband was there and continued taking my daughters through their education.	I
Kevin and Lisa Hannigan	Fundraising for the community, starting Souper Wednesday, Kevin is a local quiz host raising money for local causes including Sennen School and Sennen Lifeboat. Lisa has single handedly carried on Souper Wednesdays throughout supporting Kevin through a period of serious ill health and hospitalisations. For their work running the Souper Wednesday in Church Town Hall for the Citizen of the Year Award. They have both worked hard on this project and are still consistently getting approximately 25 - 30 people attend each week. They also arrange lifts for folks if needed. Lisa and Kevin are also on Sennen Church Town Hall Committee and frequently arrange fundraising activities for the Village Hall. They truly are 'Gems' of our community. I would like to nominate Lisa and Kevin Hannigan for citizens of the year, they are always doing good things for the village e.g. Sennen quiz raising money for local charities. Helping farmers market, also giving up their time to put on a free soup kitchen for all welcome. I feel that they are a constant support to Sennen and people. I would like to nominate Kevin and Lisa who have organised and made a great success of Super Wednesday. It has become very popular and attracts upward of 30 locals and visitors every week. I have been a number of times and Kevin, Lisa and their helpers have made me very welcome. They have run this for over a year now even though Kevin is being treated for a serious illness. I write to nominate Kevin and Liza who run the Souper Wednesdays at the Sennen church town hall. I was delighted to attend the soup days when visiting Sennen. I understand all driven by this very kind couple. I believe it makes for a better community ensuring all ages generations can attend to enjoy hot soup and company. A great way to keep an eye on the vulnerable especially in the community. A great good health well - being programme. I wish to nominate jointly Lisa and Kevin Hannigan for their great weekly soup lunches in the Churchtown Hall. These have proved to be a valuable occasion each week for local people to meet and socialise, particularly valuable in the winter months but enjoyable throughout the year. For their involvements within the village including setting up and running the "Super Wednesday" event every week, and Kevin for preparing and hosting the weekly quiz at the first and last pub. They both do so much for the community and would be worthy winners.	~~IIII~~ II
