

Footpaths update Meeting 12th July 2023

1. All the first LMP cuts have been completed
2. We have had informal comments (via councillor Paterson-Beedle) about footpath 118/21/3 (Gold path behind school to Mayon farm) As I was only aware of this yesterday evening I haven't had a chance to have a look, I have spoken to contractors and they weren't aware of an issue so I said that I would investigate further and let them know if we wanted them to add an extra cut. The second LMP cut will be carried out in about a month.
3. I would like to suggest to the contractors that we leave the majority of the bus stop at Mayon uncut but with a section cut around the edges, thoughts appreciated
