

CEMETERY & BURIAL FEES

Effective from February 2024

Sennen Parish Council keeps a record of all interments and scattering of ashes within Sennen Cemetery. All fees should be made payable on application to Sennen Parish Clerk at clerk@sennen-pc.gov.uk.

The fees set out below apply where the person to be interred (whether burial or interment of ashes) was a resident of Sennen Parish or where there is to be a scattering of ashes. A resident is a person who normally resides within the Parish of Sennen or who would normally have resided within the Parish of Sennen within 3 years of the date of death. However, on written application, the Parish Council will consider an application where the deceased had been a parishioner for a substantial and continuous period of their lifetime.

Applications that do not meet the above criteria will be considered on an individual basis by the Parish Council and may be refused. If accepted, the fees are set out as 'Non Resident' below.

EXCLUSIVE RIGHT OF BURIAL

The Exclusive right of Burial (EROB) must be purchased for all plots. This means that the grave may not be reopened and no one may be buried there without your permission. Please see our Burials & Management of Memorials Policy for further information. Grave spaces are selected on rotation by Sennen Parish Council and cannot be reserved in advance. For the exclusive right of burial for 50 years in an earthen grave.
